

Day By Day With...
2011 NEW Titles

Also available in eBook

Read-Aloud Nonfiction for Pre-K-2 • High-interest biographies motivate preschool and early elementary students to read • Easy-reading format with an abundance of full-color photographs • Just perfect for the teacher, librarian, or parent who wants to read to young children

"...the simple text paints his life in broad strokes: how he plays, his accomplishments, and his charity work. Bright color backgrounds are intercut with crisp photographs. Though designed to be read aloud to preschool and early elementary children, new readers will find this accessible, too." **Booklist** on **Day By Day With LeBron James**.
