What booksellers are saying about TOM GATES:

"Tom Gates is a doodler, a band member, and not the greatest student, but he's determined to see his favorite band, bother his sister, and win the approval of the nice, smart, and talented Amy Porter. A funny story full of fabulous doodles, this is what everyone will be reading under their desks this fall."

—Marika McCoola, Northshire Bookstore

"Laugh-out-loud fun as you hear from Tom Gates himself about his world—annoying an older sister, creating crazy excuses for homework, and being a fifth-grade kid who has a passion for rock music and doodling. five merits!"

—Ginny Davis, Square Books
